

Parents,

As discussed during the parent meeting there has been some changes to the schedule. I am confirming now the updated and new schedule for this fall season. I want to apologize for any inconvenience with the schedule. Ideally, I'd love us all at NFP on the same day, but with American football there it's going to be to crowded and cramped if that occurs. I appreciate your understanding and flexibility as we work through the first two weeks of practice to find out what will work best for our teams and your children.

For now, You will see below the practice start times, dates, and coach assignments for each team.

**\*\*We are needing assistance with managers for each side, please reach out to me at [benclark@northgeorgiaunited.com](mailto:benclark@northgeorgiaunited.com) if you would like to be a manager for your child's team\*\***

As discussed in the meeting, and expressed in the meeting notes that were emailed to everybody afterward. Our main focus here is for your child to have fun, followed immediately for your child to get better and improve on & off the field as both a soccer player and a person. We are really excited about this calendar soccer year 2017/18. We have a lot of exciting things on the horizon that will come to fruition once the season begins. Thank you for being involved with NGU we will see you all next week.
